

EMPLOYMENT, TRAINING AND PROCUREMENT

The Lillie Square development will create employment and training opportunities for local residents.

We are working with LBHF, our contractors and other partners to encourage recruitment of local people, support local business activity, promote the economic development of the local area and develop strategic partnerships to promote the area.

The Lillie Square development will:

- Provide jobs for local people
- Procure locally where possible
- Create at least 20 construction apprenticeships over the lifetime of the project
- Develop training pathways for young people

If you require more info on employment opportunities, please call Vernon Loo on 0808 1780 290.
